

Recover from scam

Checklist

0. Identify the Scam

Understand the various forms of e-commerce scams, such as phishing scams, fake websites, or counterfeit goods.

1. Take immediate financial action

Reach out to your financial institution to report the scam and take necessary steps for potential fund recovery.

2. Report the scam (A.R.R.)

Assemble evidence, report to authorities, and relay information for a dual benefit.

3. Secure and monitor accounts

Strengthen online security and vigilantly watch financial transactions.

4. Educate yourself

Stay informed about e-commerce scams to prevent future victimization.

5. Seek Support

Consult professionals for financial and emotional well-being in the aftermath of a scam.
